CARDINAL

A year in retrospect . . .

LEAFING through the book of our high school story, we find that as green freshmen there were one hundred and thirty-three of us. Peggy Hawn was our class president. As sophomores we were one hundred and nineteen in number. Kenneth Lawing capably served as our president this year. Betty Gibson was president of our class of ninety-nine jolly juniors. During this year we successfully published the *Hi-Life* and we staged a gala Junior-Senior Banquet. Ninety-two of us returned as dignified seniors with Doris Yancey as class president. This, the eighteenth edition of the *CARDINAL*, is the product of our work this year.

We have now leafed through the book of our high school life, and as we turn to the last page we find that our lessons have come to an end. We are proud to have the honor of presenting the 1951 edition of the *CARDINAL* to you. We hope that you will cherish the contents of this book as we shall in years to come and that these recorded memories will forever linger in your hearts.

To Mr. David Earle Broome

WE, the Senior Class of 1951, dedicate this, the eighteenth volume of the *CARDINAL*, to MR. DAVID EARLE BROOME, whose quick wit, friendliness, and understanding manner toward all the students have made him a friend to each of us. Mr. Broome's unexcelled ability in the coaching field led the Red Devils to one of the top places in this year's conference, and for these reasons he has won our undying respect and gratitude.

SCHOOL SONG

Faithful and ever loyal,
We will boost our dear ole Hi.
Let every heart sing,
Let every voice ring,
There's no time to grieve or sigh,
But ever onward our course pursuing,
Let defeat ne'er ardor cool.
For united, we will boost our dear ole
Newton High.

What makes a Champion athlete?

IS IT CONDITIONING . . . coaching . . . team work . . . physique . . . sportsmanship . . .
competitive spirit . . . or just plain honest-to-goodness athletic skill?

We don't pretend to be athletic experts, because our job is to manufacture high quality textile products. But as sporting fans we think it would be safe to say that an athletic champion is the result of all these fine qualities.

We know that it has taken a combination of great leadership, manufacturing know-how, careful planning, employee loyalty, and skilled teamwork to make Burlington Mills a champion in the textile industry. The Company's many accomplishments and progressive growth during the past 27 years are well known. We are proud of this record and equally proud of our 32,000 employees who have worked together with real team spirit as members of the Burlington team.
